

**Whatever you did for one of these least brothers, you did for me (Matthew 25:40).**

Jesus Christ told his disciples to “Feed My Lambs” (John 21:15). All Saints Soup Kitchen and Food Pantry (ASSKFP) considers fulfilling the request of Jesus our mission and ministry—to carry out the corporal works and spiritual works of mercy. We strive to offer food security for the hungry in southwest Detroit and nearby communities. Through our efforts to provide them with the food they need, we hope to show them the love of Jesus Christ.

## All Saints Soup Kitchen

The mission of All Saints Soup Kitchen and Food Pantry is made possible by our dedicated volunteers. We are an all-volunteer program, overseen by one full-time employee, David Allen.

Catholic parish groups and organizations like the Knights of Columbus have adopted a day or week each month to provide food for our patrons, as well as preparing and serving hot, nutritious meals.

A typical hot meal at our soup kitchen includes a meat entrée, vegetable, salad, bread, fruit, dessert and hot and cold beverages.

Food is prepared in our onsite kitchen and served in our dining area.

David Allen prays with soup kitchen volunteers.

Preparation begins at 8:00 am and serving and cleanup usually ends by 1:00 pm.

Partnering with volunteers from Catholic parishes and other organizations, we have continuously served our community for more than 20 years. All Saints operates four days a week, year round. We strive to serve our patrons a well-balanced meal three times a week, and our food pantry is open to serve the hungry two days a week.

St. Paul Street Evangelization (SPSE) visits our soup kitchen regularly to answer questions about the Catholic faith. Here an SPSE member prays with a guest.

Our food pantry is also operated by volunteers who stock shelves and help guests.

No patron is ever turned away. Those from outside our service area receive help on a one-time, emergency basis, and are referred to a food pantry in their area.

Guests from southwest Detroit visit our pantry once each month. We primarily serve patrons from the Springwells and Delray neighborhoods of Detroit, as well as nearby communities like Ecorse and River Rouge.

## Please Help Us Feed the Hungry!

Our food pantry provides non-perishable food items as well as fresh produce, refrigerated and frozen food. The cost is covered by donations from churches, organizations, businesses and from people like you!

Our goal is to stretch our donor dollars as much as possible. We obtain fresh, low cost food through partnerships with Gleaners Community Foodbank, Forgotten Harvest, and others.

For every \$1 donated, we can provide up to \$5 worth of food to the needy!

To donate, go to [www.ccsem.org/allsaints](http://www.ccsem.org/allsaints).

Parishes and groups are encouraged to hold fundraising events and food drives to help our mission. Examples of past events include:

- **Girl Scouts from St. Anselm Parish in Dearborn Heights** camped out to raise funds during Homeless Awareness Week.
- **All Saints School in Canton** held a Penny Wars classroom competition during Catholic Schools Week to raise funds.
- **Divine Child High School in Dearborn** held a student dance and donated the admission proceeds.
- **St. Frances Cabrini Parish in Allen Park** held a food drive in which parishioners stuffed a school bus full of nonperishable food.
