Reflecting a profound respect for human life, the dignity of each person, and a commitment to strengthen families, Catholic Charities of Southeast Michigan (CCSEM) provides dozens of programs and services to help with life's most challenging problems and offering the hope to overcome them. Assisting pregnant women, infants, children, teens, adults, seniors, couples, and families, CCSEM helps to transform lives, relationships, and futures. CCSEM annually assists more than 20,000 people of all faiths, races, and cultures throughout the region.

"Catholic Charities of Southeast Michigan is the Archdiocese of Detroit's principle arm for providing works of mercy. We are an instrument of God's love and mercy."

- **The Most Reverend Allen H. Vigneron,**
Archbishop of Detroit
President, Catholic Charities of Southeast Michigan

Mission

Compelled by the love and teachings of Jesus Christ, Catholic Charities of Southeast Michigan provides compassionate, quality, professional services and support to people in need.

Vision

CCSEM strives to be the organization of choice for people in need, transforming lives, encountering Christ, and mobilizing hope in our community.

Values

Catholic Charities of SE Michigan holds foremost that all our actions and efforts will be modeled after Jesus Christ and in conformity to the teachings and values of the Catholic Church.

Dignity of Human Life: We act with respect, kindness, and hospitality to all persons who come to us for assistance

Compassion: We hold a deep awareness of the suffering of others, accompanied by the desire to relieve their pain.

Integrity: We can be trusted to deliver our services with conviction, courage, and transparency.

Professionalism: Our professional staff and volunteers conform to the highest ethical standards and quality of services measured by the licenses and accrediting of our employees and programs.

Transformational: We endeavor to transform the lives of the people we serve by tracking measurable outcomes of improvement.

Providing Help. Giving Hope.

Programs and Services

ADOPTION, FOSTER CARE, SUPERVISED INDEPENDENT LIVING

Children deserve a safe and caring family environment. CCSEM adoption services include:

- Information detailing the process and options
- Required written materials
- Facilitating searches for birth parents and adoptees in CCSEM-facilitated adoptions

Providing a child love and stability during a time of uncertainty is a generous gift. Through CCSEM, foster parents receive:

- In-home studies to qualify prospective foster parents
- Access to state funding to offset the cost of foster care
- Consultative instruction from licensed and trained professionals

CCSEM's Supervised Independent Living program helps teens between 16 and 19 years of age in foster care to transition to life as independent adults. Youths from 18 to 21 can also enter CCSEM's Young Adult Voluntary Foster Care program, through which they receive guidance on life skills for self-sufficiency as well as household goods and small appliances.

ALL SAINTS SOUP KITCHEN AND FOOD PANTRY

Relying on hundreds of volunteers and the generosity of donors, the soup kitchen is dedicated to the call to feed Christ's lambs, providing nourishment to body and soul. The soup kitchen alleviates the hunger of needy persons from the neighborhood by feeding 100 to 200 people daily in Detroit's Springwells and Delray neighborhoods. No one is turned away from the food pantry, which offers fresh produce and canned goods as well as refrigerated and frozen food. The food pantry serves approximately 550 households each month.

BEHAVIORAL HEALTH

Professional counseling can change painful or destructive ideas, behaviors, or relationships, and promote positive mental, spiritual, physical, and emotional wellbeing. CCSEM provides mental health services to children, teens, adults, couples, and families in a caring, Christ-centered environment. All CCSEM clinicians have master's degrees and are licensed by the State of Michigan. CCSEM therapists design treatment plans unique to each individual, couple, or family. CCSEM's Behavioral Health Services are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). CCSEM therapists can help with:

- Abusive behaviors
- Addictive behaviors
- Anger management
- Domestic violence
- Grief and loss
- Marriage, couples counseling

- Anxiety
- Attention deficit disorders
- Bullying
- Caregiver stress
- Child, adolescent, teen challenges
- Chronic illness adjustments
- Court-ordered counseling
- Depression
- Obsessive compulsive disorder
- Post-traumatic stress
- Pre-marriage counseling
- Relationship conflicts
- Self-injury
- Stress management
- Substance use disorders
- Workplace issues

CCSEM accepts insurance from most providers including Medicaid HMOs as well as sliding scale fees for service. Day and evening appointments are available.

CHRISTIAN SERVICE AND HEALTH CARE MINISTRIES

CCSEM collaborates with more than 200 Christian Service Coordinators and Parish Nurses throughout the Archdiocese of Detroit. Christian Service projects include operating food pantries, organizing emergency shelters for the homeless, providing emergency assistance, helping at soup kitchens, collaborating with other parishes and community organizations to serve vulnerable people locally and beyond. The parish nurse is a licensed registered nurse serving parish communities through health promotion and disease prevention. Activities include providing health education, organizing health fairs, and visiting the sick and homebound. CCSEM also advocates for and supports those with special needs in parishes and Catholic schools, as well as assisting parents with the sacramental preparation of children with cognitive challenges and others receiving the sacraments. Partnering with archdiocesan and other marriage ministries, CCSEM's Separation and Divorce Recovery Ministry trains support group facilitators.

PROJECT HOPE

A prolife initiative of CCSEM, Project Hope since 2013 has helped more than 350 women to recognize the inviolable dignity of the human person and give life to their unborn children. From pregnancy testing, supportive counseling, and parenting education to prenatal care referrals, and access to other community resources, clients can make appointments for assistance at all CCSEM locations. Project Hope also operates baby closets in Detroit, Monroe, Pontiac, and Royal Oak where mothers find free infant clothing, blankets, diapers, and other necessities.

HISPANIC OUTREACH SERVICES

Providing education and support to help Hispanic families become self-sufficient and with an emphasis on building individual and family strengths, CCSEM in 2016 assisted 8,660 persons and answered 3,345 phone calls. Half of the Hispanic people in the region are in severe financial need and cannot consistently provide for their children's basic needs. From tutoring and mentoring programs for elementary and high school students to basic education and citizenship classes for adults, CCSEM inspires participants to integrate into and contribute to the communities in which they live and work.

IMMIGRATION AND REFUGEE SERVICES

An affiliate of the United States Conference of Catholic Bishops, CCSEM's Refugee Services assists displaced persons lawfully admitted to the United States, those granted asylum, and human trafficking victims to find homes and begin new lives with dignity, self-sufficiency, and integration into American society. In 2016, CCSEM resettled 700 refugees. CCSEM provides them with kitchen, household, and personal hygiene items, access to educational programs, counseling to understand American laws and culture, access to employment programs, and referrals to other resources. Affiliated with the Catholic Legal Immigration Network, CCSEM's Immigration Legal Services helps immigrants of all nationalities, focusing on family reunification and guidance on becoming naturalized citizens of the United States. Services include family petitions, counselor processing, green card applications, and other forms and processes.

SENIOR AND VOLUNTEER SERVICES

Adult Day Health Services

Committed to respecting life at all stages, CCSEM provides day centers where adults with dementia, cognitive disabilities, and other conditions requiring supervision can enjoy social activities while receiving professional, personalized care in a comfortable, friendly setting. These services enable caregivers to work, take a break, and keep their loved ones at home. From seniors with Alzheimer's to adults recovering from injuries that require constant supervision, CCSEM locations in Oakland and Macomb counties offer expert care in welcoming, warm environments. Stimulating projects, music therapy, and exercise add depth and texture to the day.

Senior Volunteers

Through CCSEM's Retired Senior and Volunteer Program, Foster Grandparents, and Senior Companion programs, adults 55 and older invest 10 to 40 hours per week volunteering in several programs and projects that provide quality and meaningful services to those in need, including special needs children and adults, as well as other seniors.

SPECIAL PROJECTS

Adopt-a-Family for Christmas

This seasonal program helps families throughout southeast Michigan who are having financial difficulty. Donor contributions provide cash assistance to help families nominated by their Catholic parish or a Catholic social service organization. The 2016 program was supported by 245 donors, raising almost \$170,000 for 249 families.

Bridges to Hope

A collaboration between Catholic Charities of Southeast Michigan, St. John Providence and the Society of St. Vincent de Paul, Bridges to Hope assists those in poverty in targeted zip codes in Detroit in their journey to self-sufficiency. Participants ages 18 and older engage in a series of facilitator-lead sessions to explore the circumstances of their life and their community situations. They receive helpful resources and information while developing plans for a more positive future. Each participant is paired with a mentor for 12 months of support and encouragement.

Christmas Giving Tree

Often resulting in dozens of minivan loads of donated new household items from more than 30 participating parishes, schools, businesses, professional offices, and individuals, CCSEM's annual Christmas Giving Tree program ensures children and families can celebrate Christmas and have their basic household needs provided throughout the year. Donors embrace those in need by providing gifts ranging from new clothing, shoes, small appliances, games, and toys to gift cards for food, gas, and household items like bedding and kitchenware.

Project Hope Diaper Drive

Because programs such as the Women, Infants, and Children (WIC) program and the Michigan Food Assistance program do not provide for diapers, a costly necessity for new parents, Project Hope works to meet its low income clients' needs by soliciting donations and keeping four baby closets in the region stocked with free necessities for moms, newborns, and infants. To fill the constant need for items, including all sizes of disposable diapers and pull-ups, baby wipes, formula, and baby food, Project Hope works with churches, schools and other groups organizing Diaper Drive events, primarily held around holidays like Valentine's Day, Mother's Day, Labor Day and Christmas.
