A Day of Service

*October 14, 2017*

“Do ordinary things  
with extraordinary love.”

*~Mother Teresa*

Catholic Charities of Southeast Michigan is delighted to collaborate with parish Christian Service Coordinators and volunteers throughout the Archdiocese of Detroit for our **second annual Mercy in Action Day of Service on Saturday, October 14th.**

Mercy in Action volunteers serve parish communities and local neighborhoods providing corporal and spiritual works of mercy. We are united as one in Christ and bring love, mercy and compassion to all people.

The half day begins at your parish host site with check-in, prayer, refreshments, connecting with your work group, and departing to your service site.

If you are interested in volunteering, or have questions please check with your parish Christian Service Coordinator or contact [hyttinenj@ccsem.org](mailto:hyttinenj@ccsem.org) or 586-416-2300 ext. 4032.

**All are welcome!**
