## Catholic Charities of Southeast Michigan (CCSEM) Ministries

### ADOPTION, FOSTER CARE AND SUPERVISED INDEPENDENT LIVING

Our Adoption Services facilitate the process for prospective adoptive parents. Our staff also helps with searches for birth parents and adoptees.

Our Foster Care program helps make what can be a complicated licensing process easier so prospective foster parents can provide warm, safe home environments for displaced or orphaned children.

Our Supervised Independent Living program helps older teens who have “aged out” of the foster care program, assisting these young adults as they transition to independence.

### ADULT DAY HEALTH SERVICES

We provide care during the day for adults with dementia and similar cognitive impairments requiring supervision so caregivers can have time to themselves.

### ALL SAINTS SOUP KITCHEN AND FOOD PANTRY

Our soup kitchen and food pantry alleviate the hunger of persons in Detroit’s southwest neighborhoods and surrounding communities.

### BEHAVIORAL HEALTH

We provide mental health counseling services for children, teens, adults, couples, and families to help change difficult and destructive behaviors, improve relationships, and promote positive mental, spiritual, physical, and emotional wellbeing.

### HISPANIC OUTREACH SERVICES

We provide support and education to Hispanic and other families and individuals new to the United States to become self-sufficient, take part in, and contribute to their local communities.

### PROJECT HOPE

We provide support and resources, from conception through birth and beyond, to expectant mothers. At no cost to our clients, we provide supportive counseling, parenting education, referrals to community resources, needed items for infant care, and more.

### SENIOR VOLUNTEER SERVICES

We offer three volunteer programs for adults age 55 and older to serve their local communities. These include the Foster Grandparents Program, Senior Companion Program, and Retired & Senior Volunteer Program (RSVP).

### CRISIS INTERVENTION

St. Joseph Center of Hope is a crisis intervention center that provides a supervised, supportive setting for individuals with substance use and co-occurring disorders. Individuals can stabilize in a safe and welcoming environment while being provided with assistance to enter a treatment program. Open 24 hours a day for individuals 18 years of age and older. No insurance or referral needed.
