#GivingTuesdayNow

CCSEM Supporter:

In this time of uncertainty, there's a fundamental truth that gives us hope - that together we can do extraordinary things. Over the past few weeks and months, the entire world has been coming together to stand up, help out, give back, and heal. Whether that's through donations to community organizations, celebrating doctors and nurses at shift changes, or reaching out to a neighbor to help with groceries, generosity has been helping the entire world get through this global pandemic. Together.

Today, May 5th, Catholic Charities of Southeast Michigan is participating in #GivingTuesdayNow, a global day of unity and giving. As you know, our organization has provided thousands of community members with meals, mental health and substance abuse counseling, and other necessities. In the last month we've been able to make a big impact on the community. We have completed 2,187 telehealth sessions, 1783 outreach calls, and 593 deliveries of food! We have also distributed over 20,580 food to 1100 families through our food pantry program. But we can not do this without you!

Not only do we need your support, we need your help to spread the word. Please tell your friends and family why you believe in our work and encourage them to support us too!

Join the #GivingTuesdayNow movement today by making a donation to CCSEM!

Thank you for your continued support of Catholic Charities of Southeast Michigan.

We hope you are healthy and safe.
