Dear Friends in Christ,

As we gather for this year’s Annual Celebration, I want to begin by extending a word of sincere thanks to all of you for your dedication and commitment to the work of Catholic Charities of Southeast Michigan. On behalf of all who have benefitted from CCSEM over the years, I express my deepest gratitude for your generosity in providing the support and resources that are needed to undertake this great work of charity which we do together as a local Church.

As witnesses to Jesus entrusted with unleashing his Gospel, we have committed ourselves irrevocably to the work of giving witness to the power of God’s mercy. Every Catholic is called to become a witness to God’s everlasting mercy and thereby unleash the Gospel to everyone they meet. I am grateful that through the works of CCSEM, God’s children can come to encounter our Merciful Father, to grow to trust in his loving providence, and to be formed and inspired to bring His message of mercy to their friends and neighbors.

With best wishes for all those involved in the work of CCSEM and asking God’s continued blessing on all here, I remain

Sincerely yours in Christ,

The Most Reverend Allen H. Vigneron
Archbishop of Detroit

Dear Friend of CCSEM,

I welcome you with joy and gratitude to our annual Celebration in support of Catholic Charities of Southeast Michigan.

Our mission is: “compelled by the love and teachings of Jesus Christ, Catholic Charities of Southeast Michigan provides compassionate, quality, professional services and support to people in need. “

We have been called in the Archdiocese to Unleash the Gospel of Jesus Christ. One of the guideposts in this endeavor is families. Our agency seeks to respond to the many needs of families in various ways: child welfare and adoption, behavioral health, Project Hope, and Hispanic outreach.

We are excited to be partnering with the Knights of Malta to open a Center for the Works of Mercy south of the Cathedral of the Blessed Sacrament in Detroit. This is an example of several new initiatives in our planning. Because of you we are becoming stronger.

As the charitable arm of the Archdiocese we seek to be an instrument of God's love and mercy in our six counties. Jesus teaches us that whatever we do for the least of our brothers and sisters, we do for Him.

Please be assured that your presence and support does make a difference!

Sincerely yours in Christ,

Rev. Msgr. Charles Kosanke, Chairman

About CCSEM

“The works of Catholic Charities of Southeast Michigan are the corporal works of mercy. We are not principally a social service agency, but an instrument of God’s love and mercy.”

~ Archbishop Allen Vigneron, President of Catholic Charities of Southeast Michigan

Providing Help. Giving Hope.

Catholic Charities of Southeast Michigan (CCSEM) is a nonprofit human services organization committed to respecting life and strengthening families. CCSEM annually assists more than 20,000 people through dozens of programs and services regardless of faith, race, culture, or financial wherewithal.

CCSEM is the Archdiocese of Detroit’s principal agency for works of mercy, providing help with life’s most challenging problems and the hope to overcome them.

CCSEM assists pregnant women, infants, children, teens, adults, seniors, couples, and families, helping all to transform their lives, relationships, and futures. CCSEM champions the dignity of each person and helps improve their quality of life by helping them realize their potential.

CCSEM’s governance board includes members from the six counties served by the agency.

We provide mental health and substance abuse counseling services for children, teens, adults, couples, and families to help change difficult and destructive behaviors, improve relationships, and promote positive mental, spiritual, physical, and emotional wellbeing.

CRISIS INTERVENTION
St. Joseph Center of Hope is a crisis intervention center that provides a supervised, supportive setting for individuals with substance use and co-occurring disorders. Individuals can stabilize in a safe and welcoming environment while being provided with assistance to enter a treatment program. Open 24 hours a day for individuals 18 years of age and older. No insurance or referral needed.

LEONARD R. JAGELS AWARD
(Outstanding Priest in the Community)

Fr. Brian Chabala
Fr. Brian has been instrumental in the formation of Catholics in both the community of Rochester Hills at St. Irenaeus and St. Fabian in Farmington Hills. His efforts reflect the corporal works of mercy the Archbishop is calling everyone across the Archdiocese of Detroit to embody in Unleash the Gospel. From helping run a parish school, to knowing every individual's name in the parish, to walking with hundreds of couples through the sacrament of matrimony, Fr. Brain is a pastor of the community and a shepherd of God's people and we want to congratulate him on his retirement.

OUTSTANDING CATHOLIC SCHOOL

All Saints Catholic School in Canton
All Saints Catholic School has been very involved in our Adoption and Foster Care programs especially this holiday season. They helped coordinate the pickup and drop off of a U Haul of gifts to our Southfield location for the holiday season. These gifts were able to support children in need for Christmas and also restock much needed items to support our foster care children. The students and staff of the parish engaged with the staff at our Southfield location and learned more about the importance of our programs in the community. Thank you for exemplifying the corporal works of mercy and passing that on to our Catholic youth.

TIME TALENT AND TREASURE Awardees

Church of the Holy Family in Novi
Holy Family has been a major supporter of our backpack program each summer that helps support hundreds of foster care and immigrant children. This past year, they were able to donate over 70 fully loaded backpacks to these programs. Their robust Christian Service Ministry is heavily supported by their parish with 7.5% of their collections going to their ministry and going directly to the community. Catholic Charities wants to honor the commitment of the staff and parishioners of Holy Family to their community and the corporal works of mercy.

Our Lady Star of the Sea in Grosse Pointe Woods
Our Lady Star of the Sea has been a long time, committed supporter of Catholic Charities and our efforts across the Archdiocese of Detroit. From special drives and collections to being fervent supports of Catholic Charities Annual Appeal year after year, Our Lady Star of the Sea has made impacting the community outside their church grounds a priority. We would like to thank them for being such a committed and long time supporter. Without parish such as Our Lady Star of the Sea the efforts of Catholic Charities would be severely diminished.

**St. Colette Parish in Livonia**

St. Colette and Nancy Ohman, their Christian Service Coordinator, have continued to expand and grow their outreach in their community through the Mercy and Action program sponsored by the Archdiocese of Detroit and Catholic Charities. This day of outreach engages thousands of volunteers across the Archdiocese of Detroit and St. Colette takes this very seriously. Nancy has engaged hundreds of volunteers with over a dozen different projects and embodies the phrase “mercy in action.” We wish her the best in her retirement and appreciate all the love and support St. Colette and this ministry has given and will continue to give to the community.

**SS. Cyril and Methodius Parish in Sterling Heights**

Saints Cyril and Methodius, a Slovak Catholic Church, exemplifies the diversity of the Catholic faith with a vibrant community of many cultures. They have jumped in with two feet to help impact programs such as Project Hope and give back to their community. Erin Rybicki and their staff have made a commitment to the service of their community and partnering with Catholic Charities with our prolife and Christmas support programs. We look forward to more and more future partnerships with their parish.

CHILD WELFARE

Adoption, Foster Care, Supervised Independent Living

CCSEM facilitates adoptions for foster children in situations involving the termination of parental rights. CCSEM adoption services include:

- Information detailing the adoption process
- In-home studies for prospective adoptive families
- Consultative support and instruction for adoptive families
- Assistance in providing required information to complete the adoption process, legal paperwork, and adoption supervision

CCSEM also helps provide temporary homes for children and teens in the foster care system by offering resources and support to foster families. While the ultimate goal is to reunite children with their birth families when possible, foster families often transition to adoption. The need for more foster parents is great, with immeasurable benefits. Through CCSEM, foster parents receive:

- In-home studies to qualified prospective foster care parents and prepare homes for foster care
- Foster care stipend assists with offsetting the cost of foster care
- Consultative support and instruction from licensed and trained professionals
- Immense gratification in giving a home to a child in need
- Pride in providing stability, safety, and support to a child in a challenging familial situation
- Satisfaction in seeing the outcome of work and dedication in changing a child’s life

CCSEM operates a Supervised Independent Living program to help teens transition to life on their own. Providers are needed to assist these youth, whether enrolling in college, entering the workforce, or pursuing both. CCSEM provides support and guidance on the life skills needed for self-sufficiency as well as household goods, small appliances, and supplies to help these teens become independent adults.
