Announcing:

Beginning Fall 2022, we will be offering opportunities for eligible volunteers that are not able to serve in the physical classroom due to limited mobility to serve in our computer lab connecting virtually with their students. No computer experience necessary. Call Carol Wall today for details.

Foster Grandparents are individuals age 55 and over who thrive on direct interaction with children and believe they can make a difference in their lives.

Income-eligible Foster Grandparents receive a modest tax free stipend to help offset the costs of volunteering; serving 20 hours a week in various community settings.
